"OFF THE COB"

with Country Larsen

One day this summer I had the pleasure of having lunch with a former chairman of the Ethics Committee, a man with many, many years of service and experience in dental ethics. I was privileged to work with him as a member of his committee, and in my estimation, this man really knows every phase of the work of one of the most important committees of the Chicago Dental Society. I felt that all of you should have the opportunity of hearing directly from him just how the Ethics Committee functions, for I know this subject is of interest to every member of our society. Here is the story, just as he presented it to me:

The Ethics Board is comprised of the Ethics Chairman of each of the eight branches of the Chicago Dental Society and three members appointed by the Board of Directors to serve on the Ethics Commission, one appointed each year to serve a three-year term. The duties of the Ethics Board are as follows: (1) investigation of all complaints or infractions of the Code of Ethics and conduct of members, (2) investigation and recommendation of acceptance or rejection of applications for membership to the Board of Directors, (3) conducting of hearings to determine the truth of charges preferred against members and submitting recommendations to the Board of Directors. The Ethics Committee meets each month except July and August, and its business consumes the entire afternoon of each meeting. The chairman meets with the Board of Directors at each of its meetings to report the findings of the Committee.

The majority of violations of the Code of Ethics are by dentists who have been out of school only a few years. This is probably due to too little knowledge of the Code of Ethics, insufficient instruction in this phase of dentistry in some of our dental colleges, and a lack of knowledge of the moral aspects of the practice of dentistry. One of the best sources of this knowledge is found in *Ethics and Jurisprudence for Dentists,* by Edmund Noyes, published in 1923. Dentists who have had a course, with this edition as a reference, are seldom called before the Ethics Board for a breach of the code. During the past years this branch of dental study has been dropped in many schools of dentistry even though it is extremely important to a young man starting his life work in the healing arts.

Probably the most frequent violations are: improper signs, improper listings in directories, cards or ads in newspapers or church directories and calendars, discrediting other dentists' work, unethical publicity, advertising fixed fees, and listing types of work for which one has no specialist's license. Failure in professional loyalty and lack of adherence to high professional standards are more in evidence from year to year. Today more and more group practices and smaller dental

Dentists Should Apply for Social Security Account Numbers

Now that all self-employed dentists are under the Old Age and Survivors' Insurance program it will be necessary for each dentist to have a "Social Security Account Number." This is required by the Federal Insurance Contributions Act and must be entered in the OASI report self-employed persons make at the time they file their income tax returns for the previous year. To obtain your social security number you must obtain and complete an "Application for Social Security Number." This is Form SS-5 of the Treasury Department, Internal Revenue Service. Blanks are obtainable from your nearest Social Security Administration District Office. See the list below.

Questions about the situation of any particular individual can best be answered in conference with trained representatives of the Social Security Administration. These officials are located in the various Social Security Administration District Offices and for the convenience of our members we list those offices by address and telephone number for Cook, Lake and DuPage counties.

Note: In our story of August first, quoted *verbatim* from an official source, the terminology left the impression that the assessment for OASI to be paid on the first $4,200 of net earnings for 1956 would be 3⅜ per cent thereof or $141.75. This is to be the rate for years subsequent to 1956. The rate to be paid on 1956 earnings is 3.0 per cent making the assessment an even $126.00.

Dr. A. Raymond Baralt Is Honored

On Wednesday evening, July 18th, a farewell banquet was tendered Dr. Ray Baralt who leaves Chicago College of Dental Surgery, Loyola University after six years of outstanding service as Dean. He has accepted a similar responsibility at the University of Puerto Rico College of Dentistry. The college building is yet to be built so Dr. Baralt will not only have the responsibility for that task but also that of gathering around him a faculty and a student body. Certainly a tremendous undertaking but one for which we know he is well qualified.

After a delightful dinner served to 106 in the Florentine Room of the Congress Hotel, Dr. S. Richard Kleiman, Chairman of the Banquet Committee and the man responsible for the excellent gathering, addressed the group expressing his pleasure in having a share in honoring Ray Baralt. He then introduced Carl Madda, President of the Alumni Association, who acted as toastmaster. He, too, expressed his appreciation for Ray Baralt's contribution to Loyola and his personal contribution to each man present. He then introduced Dr. Harry Sicher who expressed the good wishes of the Faculty and presented Dr. Baralt with a beautiful short-and-long-wave radio. Then Dr. Shailer Peterson, of the Council on Dental Education of the American Dental Association, told of Dr. Baralt's great contribution to the field of dental education, especially noteworthy for a man so young. Dr. Robert Pollock, Treasurer of the Illinois State Dental Society and newly-elected President-Elect, expressed the very deep appreciation of the Alumni Association of the College for all that Ray Baralt had done to make the Association even more active and effective. As a token of the Association's appreciation, Dr. Pollock presented Dr. Baralt with a Polaroid Land camera and the accessories to go with it. The Reverend Father Finnegan of Loyola University expressed the gratitude of the University for the service Dr. Baralt had given to the Dental College, his outstanding achievement in making it a very important section of a great university, his ability as a leader in dental education and as an administrator. He wished him Godspeed and every success in his new venture, and assured Dr. Baralt and his family that the daily prayers of the Jesuits would be theirs. Dr. Frank Amaturo, Secretary of the Faculty, expressed the Faculty's deep appreciation for Dr. Baralt's administrative skill, and presented him with a scroll and attaché case. Lawrence Chase, President of the Student Council, presented Dr. Baralt with a beautiful watch in token of the love and esteem in which Dr. Baralt is held by the student body. Dr. Gilbert Carter of the Class of '56 was presented.

Dr. Baralt responded and expressed to each group his sincere gratitude for their expressions of regard and esteem. He said that he felt that if he had made a contribution to the College and University, it was due to the fine cooperation of all concerned and that his life had been greatly enriched by his six years as Dean. He leaves Loyola with regret and reluctance and yet feels that great challenge and opportunity lay ahead in Puerto Rico. With his experience gained at C.C.D.S., he is better prepared to meet the problems of the future, especially with our prayers and good wishes following him. He concluded by inviting all of us to pay him a visit in Puerto Rico—a few at a time, that is.

Dr. Madda, the toastmaster, then again thanked all for having made the party a success, especially Dr. Sam Kleiman, Chairman of the Banquet Committee. The meeting was concluded with Dr. Kleiman's response and expression of the pleasure that had been his in working closely with Dr. Baralt throughout the six years he was at the Loyola College of Dentistry.—*E. EDITORIAL

Better Dental Health Through Restorative Dentistry*

The feeling has been growing in recent years that dentistry may be splintering itself into too many specialties. And, if that old saw is true that specialists learn more and more about less and less, until finally they know everything about nothing, this fear of overspecialization may be justified. There is no doubt, in this editor's mind, that specialties in dentistry are inevitable and, within reason, are necessary and good for dentistry and the public which we serve.

But, whether or not specialities are good, one important branch of dentistry seems to be left out because it is not, under ordinary circumstances, good material for specialization. Operative dentistry is the field so often neglected. One of the things a dentist can do best is to restore tooth structure to good appearance, contour and function. No replacement, no matter how skillfully constructed, is as good as the original, if it is well-formed and in good position. Yet restorative dentistry is often disregarded because it is not dramatic, and it is not as rewarding financially as some of the other services in dentistry. If the physician found it easier and more remunerative to fit a wooden leg than to set and otherwise repair a fractured femur, Fred Astaire might be the oddity instead of "Peg Leg" Bates.

"Filling" a tooth hasn't been worth much more than two dollars for years. Silver is not as valuable as gold; but porcelain, be it only "synthetic porcelain," is the prettiest of all. These false values and incorrect assumptions are not only tolerated by most dentists, but emphasized by some. Teeth should be restored to good form and function, not just "filled." Cost of material should never be a part of our fee schedule; time and service are our only commodities. The fee for restoring a tooth should be large enough so that adequate cavity preparation, meticulous removal of decay, placement of cement base when needed, precise adaptation of the matrix, and careful insertion of the best restorative material is pleasant and profitable occupation. No one else will educate the public to the need for this conservative approach. Only dentists have the knowledge to do this; and the dentists have the most to gain.

Never regard operative or restorative dentistry lightly. Impress your patients with its value. Make the restorations strong and serviceable. Charge a fee commensurate with the time and effort expended. Dentistry is a health service, and conservative, restorative dentistry is usually the path to better dental health.—J.E.G.

UP THE GULF STREAM WITHOUT AN OAR

The following article appeared in the *Inverness Chronicle* of August 2 relating a harrowing experience befalling our genial insurance underwriter, Mr. Henry Huntington of Huntington & Homer. Quote:

5 SPEND NIGHT ON GULF — UNWILLINGLY

Five Citrus County residents were stranded on the Gulf Saturday night when the automatic starter failed to function on the engine of their boat.

They were found the next morning no worse for their night afloat, although they had run out of water, food and cigarettes during the night.

In the party were Mr. and Mrs. Henry Huntington, John Hermes, Helmar Pospiech, all of Inverness, and Randy Moroska, of Lecanto.

They went out of Crystal River Saturday morning in Moroska's 32-foot cabin cruiser. They caught 25 sea trout and a number of grouper.

It was when they were ready to start home that Moroska found the starter would not work. They had no flares and although search parties went out Saturday night they were not found until Sunday morning by a Mr. Smith, of Crystal River, who towed them in.

Unquote. Henry tells they were fifty miles out in the Gulf when the above Mr.

Dr. Daniel M. Laskin, associate professor of oral surgery in the College's Department of Oral and Maxillofacial Surgery, will direct the course. Rose Among the Thorns Department

The following letter was received at the Central Office of the Society, entirely unsolicited, and being in rare and refreshing contrast to the monotonous succession of complaints that make up the usual grist of the daily traffic it is published here in its entirety.

"Gentlemen:

Having been in Chicago only a few months and not knowing any dentists I was certainly very fortunate in having come across Dr. Simon Matzkin of Suite 504, 1525 East 53rd Street.

Totally a stranger I stumbled into his office Saturday morning, June 23, 1956 and although he had a large waiting line, and although my profession is only that of taxi driver, he very graciously worked me into the schedule and gave me temporary relief from a very distressing toothache.

Later in the same day, although having worked straight through from early morning he again administered his kind hand by removing an abscessed tooth and another broken off one *although by now it was well into his supper hour.*

At no time did Dr. Matzkin protest my presence although he certainly had every right to. He did an excellent job on a delicate proposition and his fee was more than nominal.

I hope this note reaches a spot where not only he receives a little recognition due but where also his fellow dentists may take full recognition of the high calibre displayed by Dr. Matzkin.

Sincerely,
(signed) *William B. Brigham, Jr.*

It may be that the race is not always to the swift, nor the battle to the strong — but that's the way to bet.

NEWS OF THE BRANCHES

South Suburban

Out South Suburban way, things have all the earmarks of this being a good year for correspondents. Our new Pres., Charlie Cosgrove, was good enough to call me a short time ago to let me know that he has gone to the trouble of appointing men to cover news in their respective areas—Harvey, Homewood, Blue Island, etc.—and to make it all seem real, the Pres. said that he personally would ride herd on them to see that they got their jobs done. . . . Along with this welcome news, I also got the following bits of information. After spending many arduous weeks of not only doing dental work, but also having the job of appointing committees for the various functions of our group, Cosgrove has taken himself up to Leland, Michigan, for a month's rest and relaxation. . . . Henry Freitag is getting ready to move into his new building. . . . If any of you have a good eye for spotting well-appointed decoré and furnishing, be sure to voice your appreciation to Mrs. F. Speaking of decorating, Manny Katz is having his new abode redecorated by a special interior decorator (according to my info source, *an artist* who looks like a "Frenchie"). . . . Jim Daly as of this writing is still waiting to become a new daddy again. . . . Harry Lees took off for a rather hastily organized fishing trip up to International Falls. The fact is that Dykstra just got back from a fishing trip up thataway very much chagrined. From what I understand, Dyk even tried to get back the dough he laid out for a fishing license because the fish refused to even nibble at the very attractive lures he threw in their direction. . . . Richard Fogg has proudly announced to one and all that he is now in his new home in the Canterbury area. . . . Humble is in his new office at 183rd St. . . . From the complaint department, we have the following—Neil Kingston is taking his golf game so seriously that Mrs. Kingston feels that she is a qualified golf widow. . . . Danny Altier sent me a postal card from the Laurentian Mountains in Canada where he and Mrs. Altier are spending a month. To quote Dan, "We are about 125 miles north of Montreal, beautiful ski country very much like Jasper Park and Switzerland. Have just returned from a trip to the highest peak. Got to the top by ski lift." . . . To line you all up for the forthcoming year, we will be having our first meeting on the second Tuesday in October and the place will be the same as last year, Chuck Cavallini's in Midlothian. . . . That's all for now.—*H. C. Gornstein, Branch Correspondent.*

West Side

Marvin Chapin, a former West Side Branch member, now of Chapel Hill, N. C., stopped by to pick up his two boys who attended summer camp in Michigan. He was taking off in his brand new swanky desert-sand-colored Lincoln for Rainbow Springs, Colorado. He had some fancy flies to try out on the rainbow trout. His itinerary includes Arizona, New Mexico, Texas, and back home to Chapel Hill in time for the opening of the dental school where he is the professor of oral surgery. . . . Sam Rakow is going to spend part of his vacation at Passavant Hospital undergoing a check-up and general overhauling to be in condition for the National convention in October. . . . Louis Vanrell is going to Glendale, California, where he will spend five weeks eluding the hay fever season here in Chicago. . . . George Walls spent a week-end in his old home town, Muskegon, Michigan, attending a family reunion and celebrating the 80th birthday of his father. . . . Fred Carroll will spend the Labor Day week-end at his favorite vacation spot, the Wagon Wheel Lodge, at Rockton, Illi-

nois. . . . E. Schachter will spend his vacation visiting relatives in New Jersey. . . . Nate Potkin is on a fishing expedition up in the wilds of northern Canada. . . . George Barnes spent a week driving around Lake Michigan and visited picturesque Mackinac Island. . . . Frank Kropik has been active in Berwyn civic affairs with the Moose these past two years, which is the reason why we have missed him at our meetings. Last year he was the March of Dimes chairman in Berwyn and he is a member of the Brookfield Recreation Board. He tells me his son is a Little Leaguer and just might develop into major league material. . . . Philip Weintraub's son was seriously injured in a mountain climbing accident on Mount Hood in Oregon. He was with the American Youth Hostel group traveling the West Coast and Canada. He suffered a serious spinal injury and is recuperating in a Portland Oregon hospital. The members of the West Side Branch wish him a speedy recovery. . . . Don't forget the Loyola Golf Outing at Glendale Country Club on September 12. See you there.—*W. L. Bingaman, Branch Correspondent.*

Northwest Side

In case you notice an odor of liniment pervading this column, it's I, polishing my bones, having just returned from a tour of the Eastern States and Canada. I find that traveling has really shattered me. However, the family is already making plans for next summer. . . . Received correspondence from Ted and Marge Weclew who visited England, Belgium, and Holland. Their itinerary included a visit to the Villa on the Riviera as guests of the dentist of the Swedish Royal Family. We hope you made some contacts for the Academy of General Dentistry, too, Ted. . . . Stanley Broniarczyk and twin sons, Ronald and Donald, decided on a camping trip to Northern Michigan. Ladened with sleeping bags, rifle, knives, Boy Scout cooking equipment and forty pounds of food for a full week's stay. However, it was only a brief excursion in hardy outdoor living, as it turned out to be a rugged experience of short duration. The story comes out that after battling rain, cold, mosquitoes and other assorted insects the first two days, they hopped into their car and returned to spend the rest of their vacation in the luxurious surroundings of their Lincolnwood home. . . . Glenn E. Landstrom retired as President of the Triangle Lion's Club. . . . Edwina M. Zielinski, daughter of Marie and Joseph Zielinski, became Mrs. James Snyder recently in the Sauganash Community Church. Reception followed in the Georgian Hotel in Evanston. . . . B. E. Stark, a member of the Chicago Area Camera Club Association, was Chairman of Exhibits at the Museum of Science & Industry, where a famous collection of 500 pictures were on display throughout the month of July. The Association is

is YOUR patient ready to change dentists?

To keep a patient happy today requires much more than just good dentistry. If you'd ask him, you'd find that your patient has heard about and *wants* the kind of complete service that Professional Budget Plan encourages in your practice. Statistics show that he often looks elsewhere if he doesn't get it. In contrast, only one of PBP's many immediate benefits is a noticeably *higher* rate of patient referrals!

PBP is not a "change"—it is a rearrangement which recognizes today's needs. It is based on the experience of thousands of dentists, and it is given to you in friendly, relaxed sessions with the PBP consultant. You owe it to yourself and your patients to find out about PBP *now!*

North Side

Well! We're all set for our series of monthly meetings for the coming year! First meeting will be an all-day affair on Practice Management, running from 10 *a.m.* to 4 *p.m.*, on October 10th. Mark your calendar NOW. Luncheon will be included in our Dinner Tickets now on sale. Price is $16.00, for the series. Contact Bill d'Autremont at We 5-5722 or Cliff Alsin at Ce 6-1017 for your tickets. All reservations for dinners will get an identifying button, and will indicate that you are willing to support the North Side in paying for the meeting rooms. These dinner reservations are not limited to North Side members only—we welcome members from all branches. Our Program Committee, under the leadership of Warren Gerber, promises to have the best year of programs we have yet had. Warren is on vacation, so I couldn't get the complete line-up, but will have them in our next columns. . . . Latest on OASI: *Oral Hygiene* has stopped its presses for the first time in its history, in order to include as its lead article a complete explanation of details, workings and benefits of OASI for dentists, written by Nathan Kobrin, the Washington representative of the Congress of American Dentists for OASI. This article is factual, having been checked and rechecked by both the Washington Board and the local Chicago office. Also Ryan's editorial is worth reading. These will be in the current (September) issue. . . . The Uptown Dental Forum is up on its toes as usual. On August 17th, they had the manager of the North Side Social Security office and his field worker at their meeting, explaining all details and even had blank applications for the boys to fill out enabling them to secure their SS number. We will have the same service at our first monthly meeting, on October 10th. . . . Earl Elman reports a very enjoyable vacation in Florida with his family. He has seen so much of Florida, he can qualify for the position of guide. . . . But talking about trips—the one that seems the most outstanding is Ken Penhale's jaunt. He was selected by the State Department to be one of a group of American farmers (yes, he is a farmer, having an extensive ranch and farm in Canada) on a delegation to the Soviet Union. This is a return visit resulting from the Russian farmers who toured the States. He will

spend some 18 days there, and expects to take a number of pictures which, I am sure, should be of considerable interest to us. Perhaps we can get him to give us 18 minutes of his time when he gets back, to show us the pictures and give us his impressions. Program committee: please take note. . . . And further, about trips: Remember, the CDS is arranging for a tour thru the Ely Lilly company in Indianapolis, in September. I recommend it. Call the CDS office for more information and reservations. . . . Allen Gerber reports that his family is in Florida, but he can't get away because he is up to his neck in arranging for Clinic Day for the North Side Dental Research Group. It looks like it will be held at the Belmont Hotel and promises to be greater than ever. We'll have more information at a later date. . . . Just got word that the Social Security tax for dentists is now raised to 3⅜%, but for 1956 it will still be only 3% until the '57 tax year, with a maximum payment of $126.00. . . . Did you see Dayton (Red) Berk's article on Hi-Speed in *Dental Survey*? We can now quote him as an authority. . . . Howard Adilman, whose office is just above mine, had to go on vacation to Three Lakes, Wisc., in order to get time to write me that the Alpha Omega Fraternity will open its Fall program of monthly meetings on September 19th, with Prof. Herman Finer as their guest speaker. Make your reservations thru Howard at De-2-2281, now, as space is limited. . . . Ben Krohn is getting better, having had quite a seige at Meyerhouse, (Michael Reese Hospital). He is able to sit up and receive visitors, so let's cheer him up a bit. . . . Wasn't that a swell column Abe Hoffman wrote? Anybody else want to volunteer? . . . Herb Gustavson packed up his whole harem of assistants and took them out to give a paper at the Wisconsin Dental Study Club at Madison. Of course, his hygienist, Marilyn Janson, won't go with them, because she evidently made so much money, she is off for a two-month trip to Europe. Wonder if I shouldn't study to be a hygienist? Herb just came back with his son from Camp, where said son really outdid himself: won practically every award, including both track and swimming, got 12 pennants, was called the best camper, and got second place in two unimportant events. I always did maintain that the younger generation beat their elders every time. . . . We can be expecting to get cigars from Argianis this October. . . . Everybody seems to be on vacation, so let me hear from you when you get back.—*I. H. Shapiro, Branch Correspondent.*

West Suburban

If you have not had your vacation you had better hurry as the program committees for the Round Table, West Sub., and West Suburban Study Club expect you at their respective first meetings. W. Sub. meeting on Oct. 9th, Riverside C. C., Dr. Daniel Gehl of Marquette U., "Bread and Butter Prosthodontia." West Sub. Study Club, Sept. 27th, Dr. Irving I. Secter on Hypnosis at Louis' Restaurant. The Dinner Committee is anxious for those who have tickets to send in their checks—those who do not now have a ticket contact Bob Price. Make out your check for $19.00 and put it in the mail.... For some time I tried to find where Dick Anderson was spending his time on vacation, finally made a trip myself only to find I missed him by a day at Jackson Lake Lodge, Wyo. . . . L. J. Shimandle did a good job for the Berwyn Lions at Brezina Woods at their picnic. . . . Bill Franta home from hospital and is much improved. . . . Frank Barta, as a part of the Berwyn Kiwanis Club, made the orientation tour to Pensacola, Fla., sponsored by the U. S. Navy. . . . A. Jirsa reported at Hayworth, Wisc. . . . I. Slaby touring Colo. and points west. . . . Received a card from Vern Cultra while on tour of the West. . . . Chuck Janicki spent his vacation at a dude ranch. . . . Bill Murphy of Elmhurst is spending seven weeks of the hayfever season in Door County, Wisc. . . . Doug Browning of Lombard is on his annual pre-Labor Day vacation at his hunting lodge at Iron Mountain, Mich., getting ready for the deer season. . . . To the family of Paul Wolgast of Glen Ellyn, who passed away at Elmhurst Hospital following complications of an operation, the Society extends its sincere sympathy. Also to Dave Thompson on the loss of his father. . . . The following could have made their trips several times as the information has been on file for some time: Paul Topel to Mackinac Island, Mich. . . . Bob McDonald to Lake Vermilion, Minn. . . . John Poronsky and Edward Firnsin are happy to announce additional tax deductions to their growing families. . . . R. E. Meese going to Tower, Minn., on the Minnesota-Canadian border for some fishing. . . . We are grateful for the response for news for the column. From Foster Robeson came the following: ". . . went to Bemidji, Minn., and Grand Forks, N. Dak. While there attended a 'Fish Fry' as a guest of the Arrowhead Shrine Club. In the summer they fish and, boy, they know how to FRY 'em. Met 2 or 3 brother dentists. Don't feel too sorry for the 'Poor Farmers'. If one can believe the 'fee stories' they tell it would cause some of us 'city slickers' to take notice". . . . Ted Chrobak also went fishing "again" at Hayward, Wisc. His catch this time must have been normal—he doesn't mention how many. . . . Bob Gulley got tired of supervising the building of his new office and took off for Florida. . . . Wm. Pope was in Pennsylvania. . . . L. M. Conrad has not returned as yet—destination unknown. . . . Irv Glickman does not answer his phone—he, too, is away—somewhere. . . . Story—suggested treatment for "some teeth": Patient went to doctor with badly infected finger. Three M.D.s suggested amputation. Patient rebelled at the very idea. One doctor told him he had a "Chinese disease" and should see Chinese doctor (a follower of Confucius, no doubt). Chinese doctor said—no operate, no amputate, leave finger alone "FINGER FALL OFF". . . . Don't forget to secure your dinner tickets for the West Suburban Branch meetings.—*Sylvester W. centers are being built in outlying districts where the parking situation is less difficult, and many violations come before the Ethics Board in the naming of these centers, the signs used in connection with these centers and the outside lighting of such centers. Dentists contemplating practice in such centers should check with the Ethics Committee about naming such centers and the lighting and signs to be used. If there is a question in the mind of a dentist opening a new office in any location, the Ethics Committee will be glad to furnish any information which will help him avoid unethical procedure.

The Code of Ethics is very clear but the interpretation of the code is sometimes misunderstood by dentists. The code clearly states what is allowed or not allowed in the question of signs, letterheads and stationery, listings in directories, newspapers, church directories and calendars, and the kind of type to be used in listings in directories. Several changes have been made in the code in recent years. These have not been made available to all dentists, so it would be wise to check with the Ethics Committee until the Society can print the revised code. This should be available soon.

There you are, fellows—don't you agree this is a very comprehensive story on Ethics? If any of you desire a copy of the Code of Ethics as it now stands, the Central Office will be happy to provide you with one.—*Orville (Country) Larsen.*

CHICAGO DENTAL ASSISTANTS ASSOCIATION

The seventh in a series of articles

What is a Certified Dental Assistant?

A Certified Dental Assistant is an assistant who has taken the American Dental Assistants Association Extension Study Course and successfully passed the written and practical examination.

The 104-hour Extension Study Course is offered to members who desire to become a certified assistant. The course of study is planned by the American Dental Assistants Association Education Committee with the aid of dental educators. The course covers the following subjects: Office Management, Chair Assisting, Sterilization and Bacteriology, Local and General Anaesthesia for Oral Surgery, Dental Roentgenology, Dental Anatomy, Pathology, Oral Hygiene and Pedodontia, Dental Terminology, Diet and Nutrition, Pharmacology, and Laboratory Technique.

Classes are usually held on Wednesday evenings for three hours until the 104 hours of study are completed.

At the completion of the course the assistant may apply for examination to become certified. The student must have been a member of the Chicago Dental Assistants Association for at least one year and employed in a dental office for two years to be eligible to take the examination.

Certification is not a license or registration, but a recognition of successful study and the fulfillment of membership and employment requirements.

CHANGE OF ADDRESS

Few members of the Chicago Dental Society are aware of the provisions of the Dental Practice Act which requires a dentist to notify the Department of Registration and Education of any change of address "within ninety days thereof." Failure to do so "shall work a forfeiture of such license, and no license, when once forfeited, shall be restored, except upon payment to the said department of the sum of fifteen dollars ($15.00) for such failure." (Sections 6 and 8, *Illinois Dental Practice Act.*)

"I looked down into my open grave"

"MR. SENATOR ROSS, HOW SAY YOU?"

In the deathly silence of the Senate chamber, the freshman Senator from Kansas looked down, as he put it, into his own grave.

On deliberately trumped-up charges, the bitterly fanatic leaders of Ross's party were trying to vote President Johnson out of office—because Johnson stood between them and their revenge on the defeated South.

Ross, they knew, also disliked Johnson and wanted to punish the South. But, taking no chances, they had warned him to vote "guilty" or face political suicide.

And now, on that historic May morning in 1868, the verdict had come to hang completely on his vote. First falteringly, then loudly, he gave it: *"Not guilty!"*

That was sheer moral principle speaking. Edmund Ross refused to join a move he thought would wreck the historic powers of the Presidency. For this, he lost his future, lost his good name, and saved for himself only what he had saved for everyone: our democracy.

Into the whole fabric of American democracy is woven the steel-tough moral fiber of men like Edmund Ross. Braver even than battle courage, it has helped America become strong in many ways. So strong, that, today, one of the world's greatest guarantees of security is U.S. Savings Bonds.

For it is not American principal, but American principles, that back these Bonds. So, for yourself and your country, invest in United States Savings Bonds regularly. And hold on to them.

It's actually easy to save—when you buy Series E Savings Bonds through the Payroll Savings Plan. Once you've signed up at your pay office, your saving is done *for you*. The Bonds you receive pay good interest—3% a year compounded half-yearly when held to maturity. And the longer you hold them, the better your return. Even after maturity, they go on earning 10 years more. So hold on to your Bonds! Join Payroll Savings today—or buy Bonds where you bank.
